The Parties hereby agree that DCEDIY will take the role of Lead Agency for the purpose of this Data Sharing Agreement.

Each of the Parties to this agreement are data controllers in their own right when processing personal data on their own behalf, for their own purposes.

The completion of a DPIA can help data controllers to meet their obligations in relation to data protection law. <u>Article 35</u> of the GDPR sets out when a DPIA is required.

Data controllers should periodically re-evaluate the risk associated with existing processing activities to understand if a DPIA is now required.

1.1 Identifying if a DPIA is required

The below checklist can assist organisations to understand if they require a DPIA pursuant to Article 35 GDPR to support their data sharing agreement. The questions should be answered in relation to the entire project that the data share corresponds to. This ensures that Public Service Bodies (PSBs) have the opportunity to be transparent in the evaluation of risks in relation to the data required for this process.

The completion of a DPIA is relevant to this data sharing agreement as you will be asked to provide a summary of any DPIA carried out in <u>Section 16</u> of this document.

The questions below should be completed by the Lead Agency together with the Other Parties involved in this data sharing agreement. Please contact your DPO in relation to the requirement to carry out a DPIA.

	DOES THE PROCESS INVOLVE:	YES/NO

1.2.3	The Data Protection Commission has determined that a DPIA will also be mandatory for the following types of processing operation where a documented screening or preliminary risk assessment indicates that the processing operation is likely to result in a high risk to the rights and freedoms of individuals pursuant to GDPR <u>Article 35(1)</u> :	NO

As of 2016, at the request of the Minister for Children and under the Memorandum of Agreement between the Inspectorate of the DE DCEDIY this has included the inspection by the Education Inspectorate of early educational provision and practice in early learning and care (ELC) settings funded by the State. These inspections allow the DE Early Years Inspectorate (EYEI) to monitor and improve the quality of Early learning and care provided by state funded services through providing the setting owners and early years educators with feedback and a written report outlining the inspection findings and providing advice as to how educational provision in the setting can be developed further or improved. The DE EYEI provide trend updates to the DCEDIY on the quality of early educational provision and practice in ELC settings. The DE EYEI run a series of workshops using the findings of their inspections to identify and address issues of quality in provision that they encounter regularly. These are streamed to ELC services and recorded for their use.

14. Withdrawal from Agreement

14.1 Procedure

Each Party commits to giving a minimum of 90 days' notice of its intention to withdraw from or terminate this Data Sharing Agreement.

Each Party disclosing personal data pursuant to this Agreement reserves the right to withdraw, without notice, access to such data where that Party has reason to believe the conditions of this Data Sharing Agreement are not being observed. Each Party disclosing data will accept no responsibility for any consequences arising from the exercise of this right.

Where the disclosing Party is subsequently satisfied that the conditions of the Data Sharing Agreement are being observed, access will be restored forthwith.

Where access to shared personal data is withdrawn, the withdrawing Party shall provide to the other Party reasons for that withdrawal as soon as is practicable thereafter. Where there are only 2 Parties, withdrawal by either one shall be considered a termination of the agreement. Where an agreement has multiple Parties and one withdraws, the Lead Agency should update the schedule and inform the other Parties to the agreement.

Where a Data Sharing Agreement expires or is terminated, the Lead Agency shall notify the Minister in writing within 10 days of the withdrawal. The Lead Agency shall also notify the Data Governance Board as soon as practicable after such expiration or termination, as the case may be.

14.2 Severance

If any provision of this agreement (or part of any provision) is found by any court or other authority of competent jurisdiction to be invalid, illegal or unenforceable, that provision or part-provision shall, to the extent required, be deemed not to form part of this agreement, and the validity and enforceability of the other provisions of this agreement shall not be affected.

15. Other Matters

15.1 Variation

No variation of this agreement shall be effective unless it is contained in a valid draft amendment agreement executed by the Parties to this Data Sharing Agreement in accordance with the procedures and requirements set out in Part 9, chapter 2 of the Data Sharing and Governance Act 2019.

15.2 Review of Operation of the Data Sharing Agreement

The Parties shall review the operation of the Data Sharing Agreement on a regular basis, with each such review being carried out on a date that is not more than 5 years from:

- i. in the case of the first such review, the date on which the Data Sharing Agreement came into effect, and
- ii. in the case of each subsequent review, the date of the previous review. A review under s.20(1) shall consider the impact of the technical, policy and legislative changes that have occurred since the date of the previous review under s.20(1).

Where the Parties to the Data Sharing Agreement consider that it is appropriate following completion of a review they shall prepare an amended Data Sharing Agreement to take account of the technical, policy and legislative changes that have occurred since the date of the previous review or the effective date. The amended agreement will be executed by the Parties in accordance with the procedures and requirements set out in Part 9, chapter 2 of the Data Sharing and Governance Act 2019.

15.3 Jurisdiction

This agreement and any dispute or claim (including non-contractual disputes or claims) arising out of or in connection with it or its subject matter or formation shall be governed by and construed in accordance with the laws of the Republic of Ireland.

15.4 Indemnity

The Party/Parties receiving data shall indemnify and keep indemnified the Party/Parties disclosing data, in full, from and against all claims, proceedings, actions, damages, losses, penalties, fines, levies, costs and expenses, whether direct or indirect and all consequential or indirect loss howsoever arising out of, in respect of or in connection with any breach by the Party/Parties receiving data, including their servants, of data protection requirements.

15.5 Publication

15.5.1 Public Consultation and publishing a Notice

Public Consultation is managed on behalf of the parties by the Data Governance Unit in OGCIO. Each of the proposed parties will be required to publish, on the same date as the consultation, a notice on their website that they are proposing to enter into the DSA. They should state the documents that are accessible to the public and link to their relevant DSA and DPO statements published on the public consultations website. This notice should invite submissions and include the date of publication of the notice.

15.5.2 Publishing Executed DSA

After each of the Data Governance Board recommendations have been addressed by the parties and after this Data Sharing Agreement has been signed by appropriate Authorised Signatories, the Lead Agency in respect of this Data Sharing Agreement shall publish a copy of the final agreement on a website maintained by it as soon as practicable after sending a copy of the agreement to the Data Governance Unit who will accept it on behalf of the Minister.

15.6 Base Registries

In respect of this Data Sharing Agreement, where the personal data disclosed is contained in a Base Registry, the Base Registry owner will take on the role of Lead agency.

16. Schedule A - Data Protection Impact Assessment

If a data protection impact assessment (DPIA) has been conducted in respect of the data sharing to which this Data Sharing Agreement relates, a summary of the matters referred to in <u>Article 35(7)</u> of the GDPR is required to be filled in the table below.

OR

If a data protection impact assessment has not been conducted as it is not mandatory where processing is not "likely to result in a high risk to the rights and freedoms of natural persons" (<u>Article</u> <u>35</u> of the GDPR), outline the reasons for that decision in the table below.

DPIA		SUMMARY OF DATA PROTECTION IMPACT ASSESSMENT
Has been conducted [select appropriately]		[To include a summary of the matters referred to in <u>Article</u> <u>35(7)</u> GDPR)]
Has not been conducted [select appropriately]	\boxtimes	 [A Data Protection Impact Assessment has been deemed unnecessary for the Data Sharing Agreement Between Department of Education And Department of Children, Equality, Disability, Integration and Youth for the Sharing of Personal Data for the purpose of providing DE with data on early learning and care settings to allow the DE Early Years Education Inspectorate to carry out inspections of the quality of educational provision in those settings. The data being shared is a list of ELC services and their registered providers. This information is publicly available on the Tusla Early Years register and so the sharing of the data is not "likely to result in a high risk to the rights and freedoms of natural persons". The data shared under this agreement does not include any aspects that would require a mandatory DPIA.

Table 9.0

<u>Note:</u> If the Data Sharing Agreement is amended to reflect a change in the scope, form or content of the data processing, then there is an obligation on the data controllers to consider whether the changes give rise to a high risk to the rights and freedoms of natural persons, such that a DPIA should be carried out.

Under <u>S.20</u>(4) of Data Sharing and Governance Act, an amended draft agreement must be submitted for review to the Data Governance Board in accordance with Part 9, Chapter 2 of the Data Sharing and Governance Act.

17. Schedule B

17.1 Necessary for the Performance of a Function

Outline the reasons why the disclosure of information under this agreement is necessary for the performance of the relevant function and explain why it is proportionate in that context.

The DE EYEI, on behalf of the Minister for Children, Equality, Disability, Integration and Youth, provides quality assurance services in relation to the education dimension of early learning and care settings receiving funding from DCEDIY. To schedule and carry out these inspections, the DE EYEI must receive the list of early learning and care settings that receive funding from DCEDIY.

17.2 Safeguards

Summarise the extent to which the safeguards applicable to the data shared under this agreement are proportionate, having regard to the performance of functions by the Parties and the effects of the disclosure on the rights of the data subjects concerned.

The personal data being shared through this agreement relates to registered providers of Early Learning and Care services, including sole traders. This information is already publicly available on the Tusla Early Years register. DCEDIY is providing a subset of the information available on the public register in which only services that are in receipt of DCEDIY funding are included.

18. Schedule C

18.1 List of Parties to this Agreement

Set out the names of all the Parties to the agreement.

As required under <u>S.21</u> (3)(a), (b) and (c) of the Data Sharing and Governance Act 2019, this Schedule must be updated by the Lead Agency to include any Parties who have joined the agreement by way of an Accession Agreement, and to remove any Party that has withdrawn from the agreement. The Lead Agency must notify the other Parties of any amendments to this Schedule and the Data Governance Board.
